

## APPENDIX 2

---

# Forensic Research Netherlands Forensic Institute

---

## All Forensic Research

### A

- [Anthropology \(Forensic\)](#)
- [Archeology \(Forensic\)](#)

### B

- [Image Research and biometrics \(Forensic\)](#)
- [Bloodstain-pattern on the Crime Scene](#)
- [Bloodstain-pattern of pieces of evidence](#)
- [Bomb data system Bonaparte](#)
- [Victim-identification in disasters](#)
- [Arson technical, technical and material related Research](#)

### C

- [Chemical Arson Research](#)
- [Chemical identification- and provenance Research](#)

### D

- [Defraser](#)
- [Digital technology \(Forensic\)](#)
- [DNA-databank \(Dutch\)](#)
- [DNA-Research \(Forensic\)](#)
- [DNA-genealogical Research](#)
- [DNA-genealogical Research \(large scale\)](#)
- [Drugs Research](#)

### E

- [Explosions and explosives Research](#)

### F

- [Fiber-plastic fusion](#)
- [Forensic big data analysis](#)

## **G**

- [Medicine / physic \(Forensic minors\)](#)
- [Medicine / physics Forensic adults\)](#)
- [Glass Research](#)

## **H**

- [Hansken](#)
- [Provenance Research on the basis of isotopes](#)

## **I**

- [Identification of unknown dead](#)
- [Interdisciplinary Forensic Research \(IDFO\)](#)

## **K**

- [Knot analysis](#)
- [Scratch-, impression- and form-traces](#)

## **M**

- [Memory Toolkit](#)
- [Micro-analysis of invasive trauma's](#)
- [Environmental Research \(Forensic\)](#)
- [Mobile Data Recovery](#)

## **N**

- [Non-human biological traces](#)

## **P**

- [Pathology \(Forensic\)](#)
- [Crime Scene-Research and advice into environmental delicts and incidents](#)
- [Crime Scene Research \(CSR\)](#)
- [PRNU Compare Professional](#)

## **R**

- [Disasters and Calamities](#)
- [RNA-cell-type Research](#)

## **S**

- [Shotgunresidues Research](#)
- [Sieve](#)
- [Speech- and audio-Research](#)
- [Statistics \(Forensic\)](#)

## **T**

- [Toxicology \(Forensic\)](#)
- [Tear-causing materials](#)

## **V**

- [Paint research](#)
- [Comparative chemical material Research](#)
- [Handwriting comparison Research](#)
- [Trafficaccident Research](#)
- [Fibre- and Textile-Research](#)
- [Fingerprint individualisation \(WOVI\)](#)
- [Firework](#)

## **W**

- [Firearms and ammunition](#)
- [Wildlife forensics](#)
