

African Slum Journal ~ Changing Faces Of Dandora

'Changing faces in Dandora'. We speak with Sylvan Ayiecha, chairman of Tunawiri Self Help Group. Dandora has the name of the biggest dumpsite in the world, but it is time to make a change. Instead of idling around, the youth are volunteering to clean their spaces in the neighborhoods. They clean trenches, paint the houses, gates and schoolyards in fresh colors again. They make good and safe playgrounds for the school children. "When we can change the environment, we can change people's minds", says Paul Mureithi of Mustard Seed Court.
