

Coursera ~ We Provide Universal Access To The World's Best Education

Coursera is an education platform that partners with top universities and organizations worldwide, to offer courses online for anyone to take.

The Coursera experience

It's simple. We want to help you learn better and faster. That's why we designed our platform based on proven teaching methods verified by top researchers. Here are 4 key ideas that were influential in shaping our vision:

- Effectiveness of online learning
- Mastery learning
- Peer assessments
- Blended learning
