

Marja J. Spierenburg ~ Strangers, Spirits, And Land Reforms : Conflicts About Land In Dande, Northern Zimbabwe

This book describes efforts by the Zimbabwean government to enforce land reforms on African farmers in northern Zimbabwe. These efforts compounded rather than alleviated the problem of land scarcity for black small-scale farmers, a problem government now allegedly seeks to redress through invasions of white-owned farms. The book describes the similarities between the post-Independence land reforms and those attempted by the Rhodesian regime.
