ABSTRACT: The slums of Kolkata represent a contrasting picture that is reflected in terms of poverty and disorganization surrounding the communities. The slum dwellers of Kolkata live in conditions that are not actually fit for their rehabilitation. To alleviate such chronic problems several initiatives have been undertaken by government as well as by Kolkata Municipal Corporation. Various slums have been portrayed in this paper as case studies to draw transparent picture of slum diversity. The historical background analysis along with recent developmental plans for their amelioration has helped in drawing current plight in the slums of Kolkata.

Keywords: Slums, rehabilitation, chronic problems, diversities and developmental plans.
