

South African Planning Institute

The purpose and aim of the South African Planning Institute (SAPI) is to enhance the art and science of sustainable local, regional and national human and physical

development planning, and the theory and practise relating thereto.

The objectives of SAPI are as follows:

to promote the profession of planning in South Africa;

- to promote a high level of professionalism and ethical conduct in the broad interests of society at large;

- to promote and protect the interests of its members;

- to promote the standard of education and training of persons in the planning profession;

- to ensure that planning within South Africa promotes sustainable use of natural resources, social and economic upliftment of all population segments;

- to initiate and promote reforms in the laws, policies and programmes relating to planning in South Africa; and

= to promote inter-disciplinary discussion and collaboration, and also national and international contact and exchange
