

Who Is Social Housing For, And Who Should It Be For?

alexsarchives.org. Alex Marsh - April 10, 2103

Yesterday I participated in a consultation event organised by Bristol City Council. it was designed to start a debate locally about the revision of social housing allocations policy. My talk, which ranged rather more broadly than simply allocations policy, is a bit too long to include in a blog post, so I have bunged it on to Scribd. It can be accessed below.
